- COLOUR:**
  - Black** - To be an even jet-black with undercolour as dark blue as possible extending to the skin.
  - Blue** - To be a medium blue (even and sound) extending to the skin, eyes to be brown, blue or grey.
  - Chocolate** - To be dark chocolate (even and sound) top colour to go down as far as possible. Undercolour to be slate, eyes to be lilac, brown, blue or grey, brown preferred.
  - Lilac** - An even pinkish shade of dove colour throughout carried down to the skin. Eyes to be lilac with a ruby glow.
- Markings** - The chest, flanks and feet to be well and evenly ticked with silver-tipped guard hairs. Any extension of the ticking up the side and/or over the back to be considered a beauty and not a fault. The eye circles as neat as possible, a pea spot in front of the base of each ear, inside of ears, line of jaws, underside of tail and belly, all to be white. Undercolour permissible. Triangle behind ears to be white but as small as possible. Eyes brown or grey.
- Coat** - Dense and exquisitely silky in texture, length to be about 3.175cm (1.1/4in), but texture and density to be of more importance than length.
- Weight & Type** - Adults to weigh 2.494-3.17kg (5.1/2-7lb), moderate length of body inclined to cobbiness, slightly arched back, broad head of medium size, carried on a short neck; ears of medium length in proportion to the head, carried evenly and rather broad well-furred legs, straight and strong in bone.

**FAULTS** - Pale undercolour, silver or brindled patches other than the recognised pattern, rusty shade of body colour, excessive dewlap or woolliness.

**DISQUALIFICATIONS** - Yellow or any other colour tinge in white pattern; deformed bone or pendant ear; putty nose, suffering from colds, speck or wall eye.

**GENERAL APPEARANCE:** Alert with full glossy coat. Firm in flesh and healthy. The foregoing standard applies to all colours except for the difference in their colours.
