The Mini Rex Rabbit is intended to be a standard Rex Rabbit in every way possible except in size. It should be judged to the general standard of the Rex in all its various colours with the exception of size, which shall be approximately half that of the Standard Rex.

1. **Fur** - To be approximately 1.27cm (1/2in) length. Fine silky texture, free from harshness and woolliness, intensely dense, smooth and level over the whole body, of a lustrous sheen, firm and plush-like character and devoid of projecting guard hairs.
2. **Type** - Well proportioned and graceful carriage with the body sloping gently up to well rounded quarters, set on strong hind legs. Medium bone. Head bold and broad, ears erect and to be in proportion to the body, dewlap should not be excessive, eyes and toenails should preferably match body colour.
3. **Colour and/or markings** - As for Standard Rex
Weight: Adults to weigh between 1.700-2.041kg (3.3/4- 4.1/2lb)
Under 5 months to weigh up to 1.700kg (3.3/4lb)

FAULTS: As for Standard Rex.

DISQUALIFICATIONS: As for Standard Rex, weights outside the limits above and any rabbit with Netherland Dwarf features.
